

Hullo,

3-12-78

We are having a
good time considering
we went to see the
pyramids yesterday
In two days we
will travel to Aswan
and to Alexandria
from there we will
go back to Cairo and
on our way home
I probably will see
you March 31. something
went wrong with our camera
when we went to the
pyramids and I don't know if
the pictures will come out
